Access to Clean Energy for the Poor (CleanStart) (Project No. 71250, Output No. 84836)

Report No. 1687

Issue Date: 8 July 2016

Report on the audit of UNCDF Regional Office in Thailand Access to Clean Energy for the Poor (CleanStart) (Project No. 71250, Output No. 84836) Executive Summary

The UNDP Office of Audit and Investigations (OAI), through Moore Stephens LLP (the audit firm), from 6 to 14 June 2016, conducted an audit of Access to Clean Energy for the Poor (CleanStart), Project No. 71250, Output No. 84836 (the Project), which is directly implemented and managed by the UNCDF Regional Office in Thailand (the Office). This was the first audit of the Project.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenditure for the period from 1 January 2014 to 31 December 2015 and the accompanying Funds Utilization statement¹ as of 31 December 2015. The audit did not include activities and expenses not processed and approved at the Office level. The audit did not cover the Statement of Assets as no assets were purchased by the Project. In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards* for the *Professional Practice of Internal Auditing*.

Audit results

Based on the audit report and corresponding management letter submitted by the audit firm, the results are summarized in the table below:

	Project Expen	diture*
Year	Amount (in \$ '000)	Opinion
2014	397	Unqualified
2015	1,248	Unqualified
Total	1,645	

^{*} Expenditures recorded in the Combined Delivery Report were \$2,272,000. Excluded from the audit scope were transactions that relate to expenditures not processed or approved at the Office level amounting to \$627,000 (that comprised of \$377,000 for 2014 and \$250,000 for 2015).

The audit did not result in any recommendations.

Antoine Khoury Officer-in-Charge Office of Audit and Investigations

¹ The Funds Utilization statement includes the balance, as at a given date, of five items: (a) outstanding advances received by the project; (b) depreciated fixed assets used at the project level; (c) inventory held at the project level; (d) prepayments made by the project; and (e) outstanding commitments held at the project level.

THE AUDIT ENGAGEMENT

Audit Objectives and Scope

The objective of the financial audit was to express an opinion on the DIM project's financial statements which include:

- Expressing an opinion on whether the financial expenses incurred by the project between 1 January 2014 and 31 December 2015 and the funds utilization as at 31 December 2015 are fairly presented in accordance with UNCDF accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNCDF; and (iv) supported by properly approved vouchers and other supporting documents.
- Expressing an opinion on whether the statement of fixed assets presents fairly the balance of
 assets of the UNCDF project as at 31 December 2015. This statement must include all assets
 available as at 31 December 2015 and not only those purchased in a given period. Where a DIM
 project does not have any assets or equipment, it will not be necessary to express such an
 opinion.
- Expressing an opinion on whether the statement of cash held by the project presents fairly the
 cash and bank balance of UNCDF project as at 31 December 2015. Where a DIM project does
 not have a dedicated project bank account, it will not be necessary to express such an opinion.

The scope of the audit relates only to transactions concluded and recorded against the UNCDF DIM project between 1 January 2014 and 31 December 2015. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of "responsible parties", unless the
 inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as UNCDF Regional Centres and UNCDF Headquarters and where the supporting documentation is not retained at the level of the UNCDF country office.

AUDIT OPINIONS

Independent Auditor's Report to UNCDF - CleanStart Project

Statement of Expenditure

Unqualified Opinion

We have audited the accompanying Combined Delivery Reports (CDR) and Funds Utilization statements totalling \$2,272,472.28 ("the statement") of the UNCDF project 71250 'CleanStart' for the period from 1 January 2014 to 31 December 2015. CDR expenditure not processed or approved by UNCDF Country Office Thailand of \$627,354.56 was not within the scope of our audit.

Management is responsible for the preparation of the statement for the CleanStart project and for such internal control as management determines is necessary to enable the preparation of a statement that is free from material misstatement, whether due to fraud or error.

Our responsibility is to express an opinion on the statement based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the project's preparation of the statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the project's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Unqualified Opinion

In our opinion, the attached Combined Delivery Reports (CDR) and Funds Utilization statements present fairly, in all material respects, the expenses of \$1,645,117.72 incurred by the CleanStart project for the period 1 January 2014 to 31 December 2015 in accordance with UNCDF accounting policies and were i) in conformity with the approved budget; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNCDF; and (iv) supported by properly approved vouchers and other supporting documents.

Annex 2: **Audit finding priority ratings**

The following categories of priorities are used:

Low

High Action is considered imperative to ensure that UNCDF is not exposed to high risks. (Critical)

Failure to take action could result in major consequences and issues.

Action is considered necessary to avoid exposure to significant risks. Failure to take Medium

action could result in significant consequences. (Important)

> Action is considered desirable and should result in enhanced control or better value for money. Low priority recommendations, if any, are dealt with by the Auditors directly with the Office management, during the exit meeting and through a separate memo subsequent to the fieldwork. Therefore, low priority recommendations are not

included in the audit report.
