(Directly Implemented Project No. 85372, Output Nos. 93042, 94812 and 99788)

Report No. 1972

Issue Date: 9 August 2018

**Report on the Audit of UNDP Somalia
Joint Programme on Rule of Law
(Project No. 85372, Output Nos. 93042, 94812 and 99788)
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through Moore Stephens LLP (the audit firm), from 21 May to 25 June 2018, conducted an audit of the Joint Programme on Rule of Law (Project No. 85372, Output Nos. 93042, 94812 and 99788) (the Project), which is directly implemented and managed by the UNDP Country Office in Somalia (the Office). The last audit of the Project was conducted by OAI through Deloitte in 2017 and covered project expenses from 1 January to 31 December 2016.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2017 and the accompanying Funds Utilization statement¹ as of 31 December 2017 as well as Statement of Assets as of 31 December 2017. The audit did not include activities and expenses incurred or undertaken at the "responsible party" level, or expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters) or expenses of other United Nations agencies. In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.

Audit results

Based on the audit report submitted by the audit firm, the results are summarized in the table below:

Project Expenses*		Project Assets

EXECUTIVE SUMMARY

Moore Stephens LLP conducted the financial audit of Joint Programme on Rule of Law (Project ID 00085372 and Output IDs 00093042, 00094812 and 00099788 (the project), directly implemented by UNDP Somalia for the year ended 31 December 2017. The audit was undertaken on behalf of UNDP, Office of Audit and Investigations (OAI).

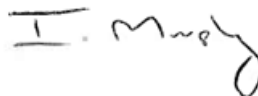

We have issued audit opinions as summarised in the table below and as detailed in the next section:

Project Financial Position	Unmodified
Statement of Fixed Assets	Unmodified
Statement of Cash Position	Not applicable

We have not raised any audit findings or recommendations as a result of our audit.

The project was audited in the prior year (OAI Report no. 1826 issued on 14 August 2017) and the implementation status of the recommendations is as follows:

No.	Title	Summary of observation	Summary of recommendation	Recommendation implemented?
1	Recording of advances as expenditure	US\$ 15,300 advanced to the University of Hargeisa was recorded as expenditure at the point of making the advance rather than upon receipt of supporting documentation for the expenditure incurred.	Management should ensure that only expenditure that is incurred and accounted for is recorded as expenditure and not the amount that is advanced to a partner.	Implemented. Testing performed on advances issued during the project period noted that advances were recorded once supporting accountability documents had been provided.

THE AUDIT ENGAGEMENT

Audit Objectives and Scope

The objective of the financial audit was to express an opinion on the DIM project's financial position which includes:

- Expressing an opinion on whether the financial expenses incurred by the project between 1 January and 31 December 2017 in the Combined Delivery Report (CDR), the Funds Utilization statement as at 31 December 2017 and the accounts receivable and accounts payable as at 31 December 2017 are fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.
- Expressing an opinion on whether the Statement of Fixed Assets, at net book value, presents fairly the balance of depreciated assets of the UNDP project as at 31 December 2017. This statement must include all assets available as at 31 December 2017 and not only those purchased in a given period.

Where a DIM project does not have any assets or equipment, it is not necessary to express such an opinion.

- Expressing an opinion on whether the Statement of Cash Position held by the project presents fairly the cash and bank balance of the UNDP project as at 31 December 2017.

In cases where the cash transactions of the audited DIM project are made through the country office bank accounts, this type of opinion is not required.

The Financial Audit was conducted in accordance with the International Standards of Auditing (ISA), the 700 series. As applicable, the audit report provides the progress made in implementing the recommendations raised in the previous year's audit report.

The scope of the audit relates only to transactions concluded and recorded against the UNDP DIM project between 1 January and 31 December 2017. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of "responsible parties", unless the inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centres and UNDP Headquarters and where the supporting documentation is not retained at the level of the UNDP country office.

AUDIT OPINIONS

Independent Auditor's Report to UNDP – Joint programme on rule of law

Project Financial Position

To the Director of the Office and Audit and Investigations, United Nations Development Programme

We have audited the financial position of the UNDP project ID 00085372, Joint programme on rule of law output IDs 00093042, 00094812 and 00099788 for the period 1 January to 31 December 2017 which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization statement ("the statement"); and (c) the project -related accounts receivable and accounts payable.

The CDR expenditure totalling \$ 8,790,849.67 is comprised of expenditure directly incurred by the UNDP Country Office in Somalia for an amount of \$ 6,595,380.48 and expenditure incurred by entities other than the Country Office for an amount of \$ 2,195,469.19. Our audit only covered the expenditure directly incurred by the UNDP Country Office in Somalia of \$ 6,595,380.48. Refer to Annex 3 – Audited Expenditure Breakdown for further detail.

Unmodified opinion

In our opinion, the attached CDR and Funds Utilization statement present fairly, in all material respects, the expenses of US\$ 6,595,380.48 directly incurred by the UNDP Country Office in Somalia and charged to the project for the period 1 January to 31 December 2017 in accordance with UNDP accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those provisions and standards are further described in the 'Auditor's responsibilities' section of this report.

We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants. We have fulfilled our other ethical responsibilities in accordance with these requirements, and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management responsibilities

Management is responsible for the preparation of the CDR and the Funds Utilization statement of the project and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and the Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We have audited the accompanying Statement of Fixed Assets of the UNDP project 00085372 Joint programme on rule of law ID 00093042 as at 31 December 2017

Unmodified Opinion

In our opinion, the attached Statement of Fixed Assets presents fairly, in all material respects, the assets status of the UNDP project Joint Programme on Rule of Law amounting to \$ 10,525.58 as at 31 December 2017 in accordance with UNDP accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those provisions and standards are further described in the Auditor's responsibilities section of this report.

We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management responsibilities

Management is responsible for the preparation of the Statement of Fixed Assets of the project, and for such internal control as management determines is necessary to enable the preparation of a Statement of Fixed Assets that is free from material misstatement, whether due to fraud or error.

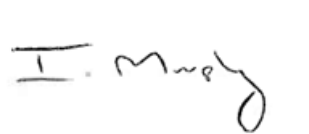

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the Statement of Fixed Assets is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement of Fixed Assets.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement of Fixed Assets, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Annex 4: Audit finding priority ratings

The following categories of priorities are used:

High (Critical)	Prompt action is required to ensure that UNDP is not exposed to high risks. Failure to take action could result in major negative consequences for UNDP.
Medium (Important)	Action is required to ensure that UNDP is not exposed to risks. Failure to take action could result in negative consequences for UNDP.
Low	Action is desirable and should result in enhanced control or better value for money. Low priority recommendations, if any, are dealt with by the audit team directly with the Office management, either during the exit meeting or through a separate memo subsequent to the fieldwork. Therefore, low priority recommendations are not included in this report.
