**Report on the Audit of UNDP Bosnia and Herzegovina  
Green Economic Development Environment  
(Project No. 48025, Output No. 79758)  
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through Deloitte LLP (the audit firm), from 9 May to 20 May 2016, conducted an audit of Green Economic Development Environment (Project No. 48025, Output No. 79758) (the Project), which is directly implemented and managed by the UNDP Country Office in Bosnia and Herzegovina (the Office). This was the first audit of the Project.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenditure for the period from 1 January to 31 December 2015 and the accompanying Funds Utilization statement<sup>1</sup> as of 31 December 2015 as well as the Statement of Assets as of 31 December 2015. The audit did not include activities and expenses incurred or undertaken at the "responsible party" level, or expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters). The audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.

**Audit results**

Based on the audit report and corresponding management letter submitted by the audit firm, the results are summarized in the table below:

Project Expenditure		Project Assets	
Amount (in \$ '000)	Opinion	Amount (in \$ '000)	Opinion
4,378	Unqualified	19	Unqualified

The audit did not result in any recommendations.

Antoine Khoury  
Officer-in-Charge  
Office of Audit and Investigations

<sup>1</sup> The Funds Utilization statement includes the balance, as at a given date, of five items: (a) outstanding advances received by the project; (b) depreciated fixed assets used at the project level; (c) inventory held at the project level; (d) prepayments made by the project; and (e) outstanding commitments held at the project level.
