1. PART I – EXECUTIVE SUMMARY

The Executive Summary summarizes the important issues raised in the financial audit of the Sudan Disarmament, Demobilization, and Reintegration Programme.

1.1. Background Information about Project

Sudan experienced one of the longest civil war in Africa, fight between the Sudan Armed Forces (SAF) and the Sudan People's Liberation Army (SPLA), which ended with the signature of the Comprehensive Peace Agreement (CPA) by both the Government of Sudan and the Sudan People's Liberation Army/Movement (SPLA/M) on 9 January 2005. As part of the "Security Agreement Protocol" and "Permanent Ceasefire and Security Arrangements Implementation Modality and Appendices" in the CPA, both sides committed to a transparent and effective Disarmament, Demobilization and Reintegration (DDR) process, which supported the transition of ex-combatants and associated members (Women Associated with Armed Forces (WAAF) and Children Associated with Armed Forces (CAAF) from military to productive civilian life aimed at ensuring a secure, stable and peaceful Sudan.

As part of its role in supporting the implementation of the CPA, the United Nations Mission in Sudan was mandated by the UN Security Council resolution 1590 (24 March 2005) to assist in the establishment of the DDR programme and its implementation. In this context, an integrated UN DDR Unit was established to assist the relevant national institutions in the DDR process. Broadly, the United Nations Mission in Sudan (UNMIS) took the lead in supporting the demobilization and reinsertion of DDR participants while UNDP was the lead agency on economic and social reintegration.

Guided by the National DDR Strategic Plan, the National Reintegration Policy and the 2009-2012 United Nations Development Assistance Framework (UNDAF), the SDDRP also aimed at contributing to (Northern) Sudan's Strategic Five Year Plan (2007-2011) and South Sudan's Three Years Plan for recovery and development which emphasized the effective and sustainable reintegration of ex-combatants (XCs), while recognizing the need to support the Millennium Development Goals in all recovery and development spheres. The SDDRP and National DDR Strategic Plan identified 180,000 participants (90,000 from SAF and 90,000 from SPLA) to be demobilized and reintegrated during the interim period of CPA (2009-2012). However, after the secession of South Sudan in June 2011, Sudan DDR programme became an independent programme completely managed by UNDP.

Specifically, the project objective is to provide support to eligible ex-combatants and facilitate their reintegration into civilian life. The Programme focuses on the reintegration of ex-combatants (XCs) and associated members of Special Needs Groups (SNGs) who meet the eligibility criteria. Furthermore, the programme will also link with other national recovery and priority programmes dedicated to returnees, Internally Displaced (IDP) and host communities to ensure community security, social cohesion and long term reintegration opportunities. A special focus is being placed on ensuring the gender-

responsiveness of the programme by initiatives such as holding focus groups with female-focus activities. Furthermore, disabled participants are offered additional services such as orthotics, physical therapy and mobility devices among others, in order to facilitate their social and economic reintegration. Due consideration is given to promoting community security and social cohesion through capacity development at local and national levels to ensure the sustainability of the reintegration efforts.

The 2013 budget of the grant is USD 5,735,269. The financial audit covered total expenditures amounting USD 5,717,532 incurred locally during the period from 1 January to 31 December 2013.

The following are the budgets until 31 December 2013:

Category/ Activity	Budget USD	Expenditure USD
	2013	2013
Activity	--	674
Activities 1 to 6	2,410	(8,356)
Capacity development	355,151	355,043
Management support	882,132	881,863
Public awareness	57,679	57,259
Reintegration	4,437,897	4,431,049
TOTAL	5,735,269	5,717,532

The project duration was from 1 January 2009 to 30 June 2012 and it was extended to 31 December 2013. The project was located in different areas in Sudan such as states of Southern Kordofan and Blue Nile with some activities in North Kordofan, White Nile and Sennar as well as Khartoum.

1.2. Project Identification information

The following table summarizes the amount of expenditures for the year under review:

Table 1:

Project Name	Output Number	Atlas Project ID	2013 Approved Budget (USD)	2013 Actual Expenditure per CDR (USD)
Sudan Disarmament, Demobilization and Reintegration Programme	63343	51037	5,735,269	5,717,532

1.3. Audit Objectives

The objective of the financial audit was to express an opinion on a project's financial statements which include:

- 1) Expressing an opinion on whether the expenses incurred by the project during year ended 2013 and the funds utilization as at 31 December 2013 were fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents. The Combined Delivery Report (CDR) and the accompanying Funds Utilization statement were the mandatory and official statements upon which the audit opinion should be expressed.
- 2) Expressing an opinion on whether the statement of fixed assets presents fairly the balance of assets of the UNDP project as at 31 December 2013. This statement should include all assets available as at 31 December 2013 and not only those purchased in the period under audit.
- 3) Expressing an opinion on whether the statement of cash held by the project presents fairly the cash and bank balance of UNDP project as at 31 December 2013. As an audit firm we were required to express an opinion on the Statement of Cash only where dedicated banks account for the project has been established. In cases where the cash transactions of the audited DIM project were made through the country office bank accounts, this type of opinion was not required.

Scope of Audit:

We performed our audit in accordance with the International Standards of Auditing (ISA700) and in compliance with the UNDP rules and regulations. We also reviewed the internal controls and compliance with procurement guidelines issued by UNDP and submitted the necessary recommendations to management. The scope of the audit related to transactions concluded and recorded against the UNDP DIM project for the period January 1, 2013 to December 31, 2013. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of "responsible parties"; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centers and UNDP Headquarters and where the supporting documentation were not retained at the level of the UNDP country office

Specifically, the audit covered the following:

- a) Expenses incurred and recorded in the Combined Delivery Reports (CDR) of the project during the period January 1, 2013 to December 31, 2013;
- b) The value and existence of the fixed assets held by the project as at December 31, 2013; and
- c) The value and existence of Cash held by the project as at December 31, 2013 (in the case there was a separate bank account for the DIM project under review).

Accounting principles:

The Combined Delivery Report (CDR) was prepared on the accrual Basis accounting system, therefore expenditures were recognized when incurred rather than when paid.

All assets included in the Statement of Fixed Assets were accounted for according to their historical costs, and UNDP's Assets Management Guidelines.

Since 2012, UNDP started applying IPSAS and as a result, fixed assets depreciation expenses are included in the CDR.

2.1. Auditor's Report

REPORT OF THE INDEPENDENT AUDITORS TO UNDP ON DIM PROJECT
“SUDAN DISARMAMENT, DEMOBILIZATION AND REINTEGRATION
PROGRAMME”

**To the Director of the Office of Audit and Investigations
United Nations Development Programme**

Report on the Project Financial Statement

We have audited the accompanying Combined Delivery Report and Funds Utilization Statement (the Statement) of the UNDP Project “Sudan Disarmament, Demobilization, and Reintegration Programme”, bearing output number 63343 for the period from 1 January to 31 December 2013.

Management's Responsibility

Management is responsible for the preparation and fair presentation of the statement for the project “Sudan Disarmament, Demobilization, and Reintegration Programme” and for such internal control as management determines is necessary to enable the preparation of a statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Statement based on our audit. We conducted our audit in accordance with the International Standards on Auditing (ISA700). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the project's preparation of the statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the project's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our unmodified audit opinion.

3. CERTIFICATION OF THE STATEMENT OF FIXED ASSETS - 2013

**To the Director of the Office of Audit and Investigations
United Nations Development Programme**

Report on the Statement of Fixed Assets

We have audited the accompanying Statement of Fixed Assets ("the statement") of the UNDP Output ID: 63343, "Sudan Disarmament, Demobilization, and Reintegration Programme", as of 31 December 2013.

Management's Responsibility

Management is responsible for the preparation of the Statement for "Sudan Disarmament, Demobilization, and Reintegration Programme" Project and for such internal control as management determines is necessary to enable the preparation of the statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the statement based on our audit. We conducted our audit in accordance with the International Standards on Auditing (ISA700). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the project's preparation of the schedule in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the project's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the presentation of the statement.
