Justice and Human Rights in Afghanistan (Directly Implemented Project No. 68012, Output Nos. 85458, 85459, 85460 and 85461)

Report No. 1478

Issue Date: 25 August 2015

Report on the audit of UNDP Afghanistan Justice and Human Rights in Afghanistan (Project No. 68012, Output Nos. 85458, 85459, 85460 and 85461) Executive Summary

The UNDP Office of Audit and Investigations (OAI), through Ernst & Young Ford Rhodes Sidat Hyder (the audit firm), conducted from 4 to 25 June 2015 an audit of Justice and Human Rights in Afghanistan (Project No. 68012, Output Nos. 85458, 85459, 85460 and 85461) (the Project), which is directly implemented and managed by the UNDP Country Office in Afghanistan (the Office). The last audit of the Project was conducted by OAI in 2014 and covered project expenditure from 1 January to 31 December 2013.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenditure for the period from 1 January to 31 December 2014 and the accompanying Funds Utilization statement¹ as of 31 December 2014 as well as Statement of Assets as of 31 December 2014. The audit did not include activities and expenses incurred or undertaken at the "responsible party" level, or expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters), or where supporting documentation was not retained at the UNDP Country Office level. The audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.

Audit results

Based on the audit report and corresponding management letter submitted by the audit firm, the results are summarized in the table below:

Project Exp	enditure*	Project Assets		
Amount Opinion (in \$ '000)		Amount (in \$'000)	Opinion	
3,182	Unqualified	1,242	Unqualified	

*Expenditures recorded in the Combined Delivery Report were \$5.1 million. Excluded from the audit scope were transactions that relate to expenditures not processed or approved at the Office level (\$0.9 million) and expenditures incurred at the "responsible party" level (\$1 million). The expenditures incurred at the "responsible party" level were subject to a separate audit conducted by external auditors that resulted in a qualified opinion with a net financial impact of \$0.1 million.

¹ The Funds Utilization statement includes the balance, as at a given date, of five items: (a) outstanding advances received by the project; (b) depreciated fixed assets used at the project level; (c) inventory held at the project level; (d) prepayments made by the project; and (e) outstanding commitments held at the project level.

United Nations Development Programme Office of Audit and Investigations

Key recommendation: Total = 1, high priority = 0

The audit did not result in any high (critical) priority recommendations. There is one medium (important) priority recommendation, which means, "Action is required to ensure that UNDP is not exposed to risks that are considered moderate. Failure to take action could contribute to negative consequences for UNDP." This recommendation includes actions to correct expenditures of \$27,000 incurred in 2013 but recorded in 2014.

Implementation status of previous OAI audit recommendations

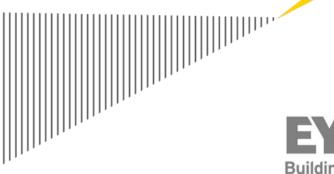

The previous audit (Report No. 1383, issued on 29 October 2014) did not result in any recommendations.

Management comments and action plan

The Resident Representative accepted the recommendation and is in the process of implementing it. Comments and/or additional information provided have been incorporated into the report, where appropriate.

INDEPENDENT AUDITOR'S REPORT TO UNDP

We have audited the accompanying Combined Delivery Report and Fund Utilization Statement of Justice and Human Rights in Afghanistan (JHRA) (Project ID 00068012) ("the Project") directly implemented by United Nations Development Programme -Afghanistan (UNDP) for the year ended 31 December 2014 and a summary of significant accounting policies and other explanatory information (together "the CDR"). CDR has been prepared by the Project management in accordance with UNDP accounting policies. CDR totaling US \$ 5,087,938, comprised of NIM audited expenditure of US \$ 1,026,406 and expenditure not processed or approved by UNDP Country Office Afghanistan of US \$ 879,763, was not within the scope of our audit as per the Terms of Reference.

Management's Responsibility for the CDR

Management is responsible for the preparation of this CDR in accordance with UNDP accounting policies and for such internal control as management determines is necessary to enable the preparation of the CDR that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the CDR based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the CDR is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the CDR. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the CDR, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Project's preparation of the CDR in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, made by management, as well as evaluating the overall presentation of the CDR.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the accompanied CDR presents fairly, in all material respects, the expenditure subject to our audit amounting to US \$ 3,181,769 incurred by the Project for the year ended 31 December 2014 in accordance with UNDP accounting policies and were (i) in conformity with the approved Project budgets; (ii) for the approved purposes of the Project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Other Matter

The CDR of the Project for the year ended 31 December 2013 was audited by another auditor who expressed an unmodified opinion on that CDR on 22 October 2014.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 3.2 to the CDR, which describes the basis of accounting. The CDR is prepared to provide information to UNDP. As a result, the CDR may not be suitable for another purpose.

3.1 Project description

The Justice and Human Rights in Afghanistan (JHRA) project represents one component of the overall strategic support towards Afghanistan's sustainable economic development throughout the Transition period and designated as 'Decade of Transformation' (2015-2024). The Project assumes a comprehensive approach to trust building composed of increasing service delivery and access to justice and security, in particular for the vulnerable, combined the facilitation of the necessary political leadership; and balanced with structural and institutional mechanisms and safeguards to ensure sustainable transition and development. Similarly, support to justice sector service providers is balanced with support to ordinary people who would normally not be able to circumvent the current justice institutions and its mechanism to access justice, accountability, gain confidence in the formal justice institutions and gain trust in the State.

INDEPENDENT AUDITOR'S REPORT TO UNDP

We have audited the accompanying Statement of Assets of Justice and Human Rights in Afghanistan (JHRA) (Project ID 00068012) ("the Project") directly implemented by United Nations Development Programme - Afghanistan (UNDP) for the year ended 31 December 2014 and a summary of significant accounting policies and other explanatory information (together "the Statement"). The Statement has been prepared by the management in accordance with UNDP accounting policies.

Management's Responsibility for the Statement

Management is responsible for the preparation of this Statement in accordance with UNDP accounting policies and for such internal control as management determines is necessary to enable the preparation of the Statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the Statement based on our audit. We conducted our audit in accordance with International Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Project's preparation of the Statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Project's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates, if any, made by management, as well as evaluating the overall presentation of the Statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the accompanied Statement of Assets presents fairly, in all material respects, assets amounting to US \$ 1,241,835 of the Project as of 31 December 2014 in accordance with UNDP policies.

Other Matter

The Statement of Assets of the Project for the year ended 31 December 2013 was audited by another auditor who expressed an unmodified opinion on that Statement on 22 October 2014.

Basis of Accounting

Without modifying our opinion, we draw attention to Note 5.1 to the Statement, which describes the basis of accounting. The Statement is prepared to provide information to UNDP. As a result, the Statement may not be suitable for another purpose.

6. Management Letter

Justice and Human Rights in Afghanistan (JHRA) (Project ID 00068012) directly implemented by United Nations Development Programme – Afghanistan for the year ended 31 December 2014

6.1 Accruals not made

Condition

For the following three transactions, JHRA has followed the practice of recording accruals at year-end based on the receipt of invoices instead of receipt of corresponding services or goods. Certain good and services were received in the year 2013, but their invoices received in the year 2014, therefore, no accrual made at the end of year 2013. Consequently expenditure amounting to US \$ 27,580 pertaining to year 2013 has been recorded in year 2014.

Criteria

International Public Sector Accounting Standards (IPSAS) which is a reporting framework adopted by UNDP, require that accruals should have been recorded for expenditure incurred but not paid for. Accrual is recorded upon receiving the corresponding goods or services, irrespective of receipt of invoice or payment.

Cause

Project management has informed us that they record accruals on the basis of receipt of invoice, if invoice is not received on or before 10th of December then the transaction is taken to next accounting period.

Effect

This has resulted in overcharging of expenditure for the year 2014 and under reporting of expenses for the year 2013.

Priority

Medium

Recommendation

Management should develop a mechanism of booking accruals for expenditure incurred / good and services received before the year end; 31 December, irrespective of receiving date of invoice. If the exact amount of expenditure is not known, best estimate can be made for the purpose of recording accruals.

Justice and Human Rights in Afghanistan (JHRA) (Project ID 00068012) directly implemented by United Nations Development Programme – Afghanistan for the year ended 31 December 2014

Management comments

The Audit recommendation is well noted and from now on the project will follow the IPSAS framework and book accruals before the end of the year irrespective of the date of the invoice.
