Dear Sir,

#### **PART 2: FINANCIAL AUDIT REPORTS**

### 2.1(A) Report of independent auditors to UNDP on the Combined Delivery Report and Fund Utilization Statement of Project 85372 and Output 93042

We have audited the accompanying Combined Delivery Report (CDR) and Funds Utilization Statement ("the statement") of the UNDP project number 85372and output number 93042 "Rule of Law – Justice and Corrections Project" for the period 1 January 2016 to 31 December 2016.

The CDR expenditure for output 93042 totalling US\$ 5,111,013.81 is comprised of expenditure directly incurred by the UNDP Country Office in Somalia for an amount of US\$ 3,098,745.02 and expenditure incurred by entities other than the Somalia Country Office for an amount of US\$ 2,012,268.79. Our audit only covered the expenditure directly incurred by the UNDP Country Office in Somalia for output 93042 of US\$ 3,098,745.02.

#### **Opinion**

In our opinion, the attached CDR and Funds Utilization statement present fairly, in all material respects, the expenses of US\$ 3,098,745.02 directly incurred by the UNDP Country Office in Somalia for output 93042 and charged to the project for the period 1 January 2016 to 31 December 2016 in accordance with UNDP accounting policies as per note 3.2 of the project financial statements, and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the auditor's responsibilities for the audit of the CDR and Funds Utilisation section of our report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Management responsibilities

Management is responsible for the preparation of the CDR and the Funds Utilization statement of the project, and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilisation statement that are free from material misstatement, whether due to fraud or error.

### 2.1(A) Report of independent auditors to UNDP on the Combined Delivery Report and Fund Utilization Statement of Project 85372, Output 93042 (Continued)

#### Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilisation statement are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and Funds Utilisation statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

#### 3.2 Notes to the project financial statements (Continued)

#### 3.2.6 Commitments

This represents legal and financial obligations arising from contracts, agreements, or other forms of undertaking by UNDP Somalia Country office. Outstanding commitments as at period end amounted to US\$ 72,530.94. (US\$ 72,526.39 for output number 93042 and US\$ 4.55 for output number 93856).

#### 3.2.7 Outstanding Advances

This represents amounts advanced to the implementing partners but not expensed as at the reporting date. Outstanding advances as at period end amounted to US\$ 345,635.58 (US\$ 282,475.58 for output number 93042 and US\$ 63,160 for output number 93856).

#### **PART 3: MANAGEMENT LETTER (Continued)**

#### 3.3 Results of the audit

#### 3.3.1 Recording of advances as expenditure

US\$ 15,300 advanced to the University of Hargeisa were recorded as expenditure at the point of making the advance rather than upon receipt of supporting documentation for the expenditure incurred.

As per the Letter of Agreement between UNDP Somalia and University of Hargeisa, the University is expected to account for all advances made to them. Thus only amounts that have been accounted for should be recorded as expenditure.

This advance resulted from a letter of agreement and was treated as procurement contracts and the payments were processed as expenditure rather than advances.

Recording expenditure at the point of making the advance rather than upon receipt of supporting documentation for the expenditure incurred would lead to an overstatement of expenditure in a given accounting period in case all the amount advanced is not utilized by the close of the period.

#### Recommendation

Management should ensure that only expenditure that is incurred and accounted for is recorded as expenditure and not the amount that is advanced to a partner.

#### Management comments and action plan

The management acknowledges that the referenced payment was erroneously recorded as an expenditure rather than an advance. The country office has already strengthened payment verification across its projects to ensure compliance to UNDP financial rules and regulations. Management commits to further review its approval and verification processes in order to further strengthen and ensure compliance in the future.
