Issue Date: 14 June 2018
Report on the Audit of UNDP Programme of Assistance to the Palestinian People
Construction of 300 Housing Units in Rafah (Project No. 42831, Output No. 99288)
Executive Summary

The UNDP Office of Audit and Investigations (OAI), through Talal Abu-Ghazaleh & Co. (the audit firm), from 19 to 26 April 2018, conducted an audit of Construction of 300 Housing Units in Rafah (Project No. 42831, Output No. 99288) (the Project), which is directly implemented and managed by the UNDP Programme of Assistance to the Palestinian People (the Office). The last audit of the Project was conducted by OAI, through Deloitte, in 2017 and covered project expenses from 1 January to 31 December 2016.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project’s operations. The audit covered the Project’s Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2017 and the accompanying Funds Utilization statement1 as of 31 December 2017. The audit did not cover the Statement of Assets as no assets were held by the Project. In addition, the audit did not cover the Statement of Cash as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the International Standards for the Professional Practice of Internal Auditing.

1.2. **Audit Objectives**

A. The objective of the financial audit is to express an opinion on the project’s financial position which includes:

1) Expressing an opinion on whether the expenses incurred by the Project from 1 January to 31 December 2017 and the funds utilization, the accounts receivable and the accounts payable as at 31 December 2017 were fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents. The Combined Delivery Report (CDR) and the accompanying Funds Utilization statement are the mandatory and official statements upon which the audit opinion should be expressed. Other forms of statement of expenses that may be prepared by a project office are not accepted.

2) Expressing an opinion on whether the statement of fixed assets, at net book value, presents fairly the balance of depreciated assets of the UNDP Project as at 31 December 2017. This statement should include all assets available as at 31 December 2017 and not only those purchased in the period under audit. Where a DIM project does not have any assets or equipment it will not be necessary to express such an opinion; and

3) Expressing an opinion on whether the statement of cash held by the Project presents fairly the cash and bank balance of UNDP Project as at 31 December 2017. Disbursements made against directly implemented project, DIM projects are usually financed from the regular country office bank accounts. Exceptionally, a dedicated bank account may be opened and used solely for the cash transactions of a DIM project, e.g. if the project is in a remote location. The audit firm is required to express an opinion on the Statement of Cash only where a dedicated bank accounts for the DIM project has been established. In cases where the cash transactions of the audited DIM project are made through the country office bank accounts, this type of opinion is not required.

B. Providing the progress made in implementing the recommendations raised in a previous year audit report (if any).

The financial audit was conducted in accordance with the International Standards on Auditing (ISA), the 700 series.
1.3. Scope of Audit:

The scope of the audit relates only to transactions concluded and recorded against the UNDP DIM project for the period from 1 January to 31 December 2017.

The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of “responsible parties”; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centers and UNDP Headquarters and where the supporting documentation is not retained at the level of the UNDP office.
2. PART II – FINANCIAL AUDIT REPORTS

2.1. Auditor’s Report on Financial Position

Independent Auditor’s Report on the Project Financial Position of UNDP DIM Project ID 42831 – Output ID 99288 “Construction of 300 Housing Units in Rafah”

To the Director of the Office of Audit and Investigations (OAI) United Nations Development Programme (UNDP)

We have audited the financial position of the UNDP project ID 42831 – output ID 99288 “Construction of 300 Housing Units in Rafah”, for the period from 1 January to 31 December 2017, which include: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization Statement (the statement); and (c) the project – related accounts receivable and accounts payable.

Unmodified Opinion

In our opinion, the accompanying Combined Delivery Report (CDR) and Funds Utilization Statement present fairly, in all material respects, the expenses of USD 13,382,379.38 directly incurred by UNDP PAPP and charged to the project ID 42831 – output ID 99288 for the period from 1 January to 31 December 2017 in accordance with UNDP accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the auditor’s responsibilities for the audit of the CDR and Funds Utilization section of our report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants’ Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management’s Responsibilities

Management is responsible for the preparation and fair presentation of the of the CDR and the Funds Utilization statement of the project and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilization statement that is free from material misstatement, whether due to fraud or error.
Auditor’s Responsibilities for the Audit

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization’s internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
