Issue Date: 6 August 2020

Report on the Audit of UNDP Peru
Fortalecimiento del Programa Nacional de Alimentación Escolar Qali Warma del Ministerio de Desarrollo e Inclusión Social (MIDIS) para mejorar la atención alimentaria de los niños y niñas de las instituciones educativas públicas del país
(Project No. 96804, Output No. 100712)
Executive Summary

The UNDP Office of Audit and Investigations (OAI), through BDO LLP (the audit firm), from 15 June to 10 July 2020, conducted an audit of Fortalecimiento del Programa Nacional de Alimentación Escolar Qali Warma del Ministerio de Desarrollo e Inclusión Social (MIDIS) para mejorar la atención alimentaria de los niños y niñas de las instituciones educativas públicas del país (Project No. 96804, Output No. 100712) (the Project), which is nationally implemented¹ with support services provided by the UNDP Country Office in Peru (the Office). The last audit of the Project was conducted by OAI, through BDO LLP in 2019 and covered project expenses from 1 January to 31 December 2018.

The audit firm conducted a financial audit in accordance with the International Standards of Auditing (ISA), the 700 series, to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2019 and the accompanying Funds Utilization statement² as of 31 December 2019. The audit did not include expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters). The audit did not cover the Statement of Assets as no assets were held by the Project. In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.

Audit results

Based on the audit report submitted by the audit firm, the results are summarized in the table below:

Project Expenses*	
Amount (in \$ '000)	Opinion
3,184	Unmodified

* Expenses recorded in the Combined Delivery Report were \$3,267,634. Excluded from the audit scope were transactions that relate to expenses processed and approved by other UNDP offices outside of the country (\$83,403).

¹ The responsible units in UNDP facilitate the audits of nationally implemented (NIM) projects. However, this NIM project was audited by OAI due to the significant involvement of the Country Office in its implementation, and the subsequent materiality of the amount expended by UNDP.

² The Funds Utilization statement includes the balance, as at a given date, of five items: (a) outstanding advances received by the project; (b) undepreciated fixed assets used at the project level; (c) inventory held at the project level; (d) prepayments made by the project; and (e) outstanding commitments held at the project level.

The audit did not result in any recommendations.

The previous audit (Report No. 2126 issued on 10 July 2019) did not result in any recommendations.

THE AUDIT ENGAGEMENT

Audit Objectives and Scope

The objective of the financial audit was to express an opinion on the project's financial position which includes:

- Expressing an opinion on whether the financial expenses incurred by the project between 1 January and 31 December 2019 in the Combined Delivery Report (CDR), the Funds Utilization statement as at 31 December 2019 and the accounts receivable and accounts payable as at 31 December 2019 are fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.
- Expressing an opinion on whether the Statement of Fixed Assets, at net book value, presents fairly the balance of depreciated assets of the UNDP project as at 31 December 2019. This statement must include all assets available as at 31 December 2019 and not only those purchased in a given period. The opinion is given on the net book value balance of the assets.

Where a project does not have any assets or equipment, it is not necessary to express such an opinion.

- Expressing an opinion on whether the Statement of Cash held by the project presents fairly the cash and bank balance of the UNDP project as at 31 December 2019. An opinion on the Statement of Cash is required only where a dedicated bank account for the DIM project has been established.

In cases where the cash transactions of the audited DIM project are made through the country office bank accounts, this type of opinion is not required.

The Financial Audit was conducted in accordance with the International Standards on Auditing (ISA), the 700 series. As applicable, the audit report provides the progress made in implementing the recommendations raised in the previous year's audit report.

The scope of the audit relates only to transactions concluded and recorded against the UNDP DIM project between 1 January and 31 December 2019. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of "responsible parties", unless the inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centres and UNDP Headquarters and where the supporting documentation is not retained at the level of the UNDP country office.

AUDIT OPINIONS

Independent Auditor's Report to UNDP - Fortalecimiento del Programa Nacional de Alimentación Escolar Qali Warma del Ministerio de Desarrollo e Inclusión Social (MIDIS) para mejorar la atención alimentaria de los niños y niñas de las instituciones educativas públicas del país

Project Financial Position

To the Director of the Office and Audit and Investigations, United Nations Development Programme

We have audited the financial position of the UNDP project ID 00096804 Fortalecimiento del Programa Nacional de Alimentación Escolar Qali Warma del Ministerio de Desarrollo e Inclusión Social (MIDIS) para mejorar la atención alimentaria de los niños y niñas de las instituciones educativas públicas del país, output ID 00100712 Fortalecimiento QW for the period 1 January to 31 December 2019 which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization statement ("the statement"); and (c) the project-related accounts receivable and accounts payable.

The CDR expenditure, totalling \$ 3,267,633.77 is comprised of expenditure directly incurred by the UNDP Country Office in Peru for an amount of \$ 3,184,231.27 and salary related expenditure incurred by entities other than the Country Office for an amount of \$ 83,402.50. Our audit only covered the expenditure directly incurred by the UNDP Country Office in Peru of \$ 3,184,231.27.

In our opinion, the attached CDR and Funds Utilization statement present fairly, in all material respects, the expenses of \$ 3,184,231.27 directly incurred by the UNDP Country Office in Peru and charged to the project for the period 1 January to 31 December 2019 in accordance with UNDP accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those provisions and standards are further described in the 'Auditor's responsibilities' section of this report.

We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management responsibilities

Management is responsible for the preparation of the CDR and the Funds Utilization statement of the project and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and the Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
