THE AUDIT ENGAGEMENT

Audit Objectives and Scope

The objective of the financial audit was to express an opinion on the DIM project's financial position which includes:

- Expressing an opinion on whether the financial expenses incurred by the project between 1 January and 31 December 2019 in the Combined Delivery Report (CDR), the Funds Utilization statement as at 31 December 2019 and the accounts receivable and accounts payable as at 31 December 2019 are fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents. Specifically:
 - I. Expressing an opinion on the projects' expenditure expressed in both US\$ and CHF (in the text of the standard audit opinion mention he US\$ amount and its equivalent in CHF):
 - II. Including in the audit report two versions of the CDR, one version extracted from Atlas in US\$ and another version converted manually in CHF; and
 - III. Verifying the conversion done manually by the COs from US\$ to CHF.
- Expressing an opinion on whether the Statement of Fixed Assets, at net book value, presents fairly the balance of depreciated assets of the UNDP project as at 31 December 2019. This statement must include all assets available as at 31 December 2019 and not only those purchased in a given period. The opinion is given on the net book value balance of the assets.
 - Where a DIM project does not have any assets or equipment, it is not necessary to express such an opinion.
- Expressing an opinion on whether the Statement of Cash held by the project presents fairly the cash and bank balance of the UNDP project as at 31 December 2019. An opinion on the Statement of Cash is required only where a dedicated bank account for the DIM project has been established.
 - In cases where the cash transactions of the audited DIM project are made through the country office bank accounts, this type of opinion is not required.

The Financial Audit was conducted in accordance with the International Standards on Auditing (ISA), the 700 series.

As applicable, the audit report provides the progress made in implementing the recommendations raised in the previous year's audit report.

The scope of the audit relates only to transactions concluded and recorded against the UNDP DIM project between 1 January and 31 December 2019. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of "responsible parties", unless the inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centres
 and UNDP Headquarters and where the supporting documentation is not retained at the level of
 the UNDP country office.

AUDIT OPINIONS

Independent Auditor's Report to UNDP - Revitalizing local communities

Project Financial Position

To the Director of the Office and Audit and Investigations, United Nations Development Programme

Unmodified opinion

We have audited the financial position of the UNDP project ID 80525 'Revitalizing Local Communities', output ID 90164 'Revitalizing and Strengthening the role of the local communities', for the period from 1 January to 31 December 2019 which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization statement ("the statement"); and (c) the project-related accounts receivable and accounts payable.

In our opinion, the attached CDR and Funds Utilization statement present fairly, in all material respects, the expenses of US\$ 1,790,512.92 (CHF 1,775,637.07) directly incurred by the UNDP Country Office in Bosnia and Herzegovina and charged to the project for the period from 1 January to 31 December 2019 in accordance with UNDP accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the 'Auditor's responsibilities' section of this report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management responsibilities

Management is responsible for the preparation of the CDR and the Funds Utilization statement of the project and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the CDR and the Funds Utilization statement,
whether due to fraud or error, design and perform audit procedures responsive to those risks, and
obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
not detecting a material misstatement resulting from fraud is higher than for one resulting from error,
as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
internal control.

• Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

In our opinion, the attached Statement of Fixed Assets presents fairly, in all material respects, the assets status of the UNDP project ID 80525 'Revitalizing Local Communities' - output ID 90164, 'Revitalizing and Strengthening the role of the local communities', amounting to US\$ 29,781.54 as at 31 December 2019 in accordance with UNDP accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the Auditor's responsibilities section of this report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management responsibilities

Management is responsible for the preparation of the Statement of Fixed Assets of the project, and for such internal control as management determines is necessary to enable the preparation of a Statement of Fixed Assets that is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the Statement of Fixed Assets is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement of Fixed Assets.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement of Fixed Assets, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management responsibilities

Management is responsible for the preparation of the Statement of Cash and other financial records for the project's activities and for such internal control as management determines is necessary to enable the preparation of the Statement of Cash to be free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the Statement of Cash is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists.
