OF

UNDP TURKEY

TURKEY RESILIENCE PROJECT IN RESPONSE TO THE SYRIA CRISIS
(Nationally Implemented Project No. 108446, Output Nos. 108275 and
108276)

Report No. 2262

Issue Date: 28 July 2020

**Report on the Audit of UNDP Turkey
Turkey Resilience Project in Response to the Syria Crisis
(Project No. 108446, Output Nos. 108275 and 108276)
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through KPMG SA (the audit firm), from 2 to 30 June 2020 conducted an audit of Turkey Resilience Project in Response to the Syria Crisis, Project No. 108446, Output Nos. 108275 and 108276 (the Project), which is nationally implemented¹ with support services provided by the UNDP Country Office in Turkey (the Office). This was the first audit of the Project.

The audit firm conducted a financial audit in accordance with the International Standards of Auditing (ISA), the 700 series, to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2019 and the accompanying Funds Utilization statement² as of 31 December 2019 as well as Statement of Assets for Output No. 108275 as of 31 December 2019.

The audit did not include activities and expenses incurred or undertaken at the "responsible party" level, or expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters). The audit did not cover the Statement of Assets for Output No. 108276 as no assets were procured using the Output's funds. In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.

Audit results

Based on the audit reports submitted by the audit firm, the results are summarized in the table below:

Output No.	Project Expenses		Project Assets	
	Amount (in \$ '000)	Opinion	Amount (in \$ '000)	Opinion
108275	10,161*	Unmodified	44	Unmodified
108276	3,025**	Unmodified	N/A	N/A

** Expenses recorded in the Combined Delivery Report were \$10,423,630. Excluded from the audit scope were transactions that relate to expenses processed and approved by other UNDP offices outside of the country (\$62,730). Also excluded were expenses incurred at the "responsible party" level (\$200,000), which were subject to a separate audit conducted by external auditors that resulted in an unmodified opinion.*

¹ The responsible units in UNDP facilitate the audits of nationally implemented (NIM) projects. However, this NIM project was audited by OAI due to the significant involvement of the Country Office in its implementation, and the subsequent materiality of the amount expended by UNDP.

² The Funds Utilization statement includes the balance, as at a given date, of five items: (a) outstanding advances received by the project; (b) undepreciated fixed assets used at the project level; (c) inventory held at the project level; (d) prepayments made by the project; and (e) outstanding commitments held at the project level.

*** Expenses recorded in the Combined Delivery Report were \$8,294,855. Excluded from the audit scope were transactions that relate to expenses processed and approved by other UNDP offices outside of the country (\$25,092). Also excluded were expenses incurred at the "responsible party" level (\$5,244,509), which were subject to a separate audit conducted by external auditors that resulted in an unmodified opinion.*

The audit did not result in any recommendations.

Audit Objectives and Scope

The objective of the financial audit was to express an opinion on the project financial position which includes:

- Expressing an opinion on whether the financial expenses incurred by the project over a specified period as well as the Fund Utilization statement, the accounts receivable and the accounts payable as at the end of a specified period are fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.
- Expressing an opinion on whether the Statement of Fixed Assets, at Net Book Value, presents fairly the balance of depreciated assets of the UNDP project as at 31 December 2019. This Statement must include all assets available as at 31 December 2019 and not only those purchased in a given period. The opinion is rendered on the Net Book value balance of the Assets. Where a project does not have any assets or equipment, it will not be necessary to express such an opinion.
- Expressing an opinion on whether the Statement of Cash held by the project presents fairly the cash and bank balance of the project as at 31 December 2019. Disbursements made against a project are usually financed from regular country office bank accounts. Exceptionally, a dedicated account may be opened and used solely for the cash transactions of a project, e.g. if the project is in a remote location. The audit firm is required to express an opinion on the Statement of Cash only where a dedicated bank account for the project has been established. In cases where the cash transactions of the audited project are made through the country office bank accounts this type of opinion is not required.
- As applicable, provide the progress made in implementing the recommendations raised in a previous year audit report.

The Financial Audit was conducted in accordance with the International Standards of Auditing (ISA), the 700 series.

The scope of the audit relates only to transactions concluded and recorded against the UNDP project, between 1 January and 31 December 2019. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of “responsible parties”, unless the inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centres and UNDP Headquarters and where the supporting documentation is not retained at the level of the UNDP country office.

Independent Auditors' Report

Opinion on Financial Position

To: The Director of the Office of Audit and Investigations (OAI)
United Nations Development Programme (UNDP)

We have audited the financial position of the UNDP Project ID 00108446 "Turkey Resilience Project in response to the Syria Crisis" – Output ID 00108276 "Adult Language Training (C3)" for the period from 1 January to 31 December 2019 which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization Statement ("The Statement"); and (c) the project related accounts receivable and accounts payable.

The CDR expenditure totaling USD 8,294,855.37 is comprised of expenditure directly incurred by the UNDP Country Office in Turkey for an amount of USD 3,025,254.38 and expenditure incurred by entities other than the Country Office for an amount of USD 5,269,600.99. Our audit only covered the expenditure directly incurred by the UNDP Country Office in Turkey of USD 3,025,254.38.

Unmodified Opinion

In our opinion, the attached CDR and Funds Utilization statement present fairly, in all material respects, the expenses of USD 3,025,254.38 directly incurred by the UNDP Country Office in Turkey and charged to the project for the period from 1 January to 31 December 2019 in accordance with UNDP accounting policies, and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for unmodified opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the auditor's responsibilities for the audit of the CDR and Funds Utilization section of our report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Management responsibilities

Management is responsible for the preparation of the CDR and the Funds Utilization statement of the project, and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibilities

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization’s internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Audit Objectives and Scope

The objective of the financial audit was to express an opinion on the project financial position which includes:

- Expressing an opinion on whether the financial expenses incurred by the project over a specified period as well as the Fund Utilization statement, the accounts receivable and the accounts payable as at the end of a specified period are fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.
- Expressing an opinion on whether the Statement of Fixed Assets, at Net Book Value, presents fairly the balance of depreciated assets of the UNDP project as at 31 December 2019. This Statement must include all assets available as at 31 December 2019 and not only those purchased in a given period. The opinion is rendered on the Net Book value balance of the Assets. Where a project does not have any assets or equipment, it will not be necessary to express such an opinion.
- Expressing an opinion on whether the Statement of Cash held by the project presents fairly the cash and bank balance of the project as at 31 December 2019. Disbursements made against a project are usually financed from regular country office bank accounts. Exceptionally, a dedicated account may be opened and used solely for the cash transactions of a project, e.g. if the project is in a remote location. The audit firm is required to express an opinion on the Statement of Cash only where a dedicated bank account for the project has been established. In cases where the cash transactions of the audited project are made through the country office bank accounts this type of opinion is not required.
- As applicable, provide the progress made in implementing the recommendations raised in previous year audit report.

The Financial Audit was conducted in accordance with the International Standards of Auditing (ISA), the 700 series.

The scope of the audit relates only to transactions concluded and recorded against the UNDP project, between 1 January and 31 December 2019. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of “responsible parties”, unless the inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centres and UNDP Headquarters and where the supporting documentation is not retained at the level of the UNDP country office.

Independent Auditors' Report

Opinion on Financial Position

**To: The Director of the Office of Audit and Investigations (OAI)
United Nations Development Programme (UNDP)**

We have audited the financial position of the UNDP Project ID 00108446 "Turkey Resilience Project in response to the Syria Crisis" – Output ID 00108275 "Municipal Service Delivery (C2)" for the period from 1 January to 31 December 2019 which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization Statement ("The Statement"); and (c) the project related accounts receivable and accounts payable.

The CDR expenditure totaling USD 10,423,630.41, is comprised of expenditure directly incurred by the UNDP Country Office in Turkey for an amount of USD 10,160,900.86 and expenditure incurred by entities other than the Country Office for an amount of USD 262,729.55. Our audit only covered the expenditure directly incurred by the UNDP Country Office in Turkey of USD 10,160,900.86.

Unmodified Opinion

In our opinion, the attached CDR and Funds Utilization statement present fairly, in all material respects, the expenses of USD 10,160,900.86 directly incurred by the UNDP Country Office in Turkey and charged to the project for the period from 1 January to 31 December 2019 in accordance with UNDP accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for unmodified opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the auditor's responsibilities for the audit of the CDR and Funds Utilization section of our report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Management responsibilities

Management is responsible for the preparation of the CDR and the Funds Utilization statement of the project, and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

Auditor’s responsibilities

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization’s internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
