THE AUDIT ENGAGEMENT

Audit Objectives and Scope

The objective of the financial audit was to express an opinion on the DIM project's financial position which includes:

- Expressing an opinion on whether the financial expenses incurred by the project between 29 July 2019 and 31 December 2020 in the Combined Delivery Report (CDR), the Funds Utilization statement as at 31 December 2019 and 2020 and the accounts receivable and accounts payable as at 31 December 2019 and 2020 are fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.
- Expressing an opinion on whether the Statement of Fixed Assets, at net book value, presents fairly the balance of depreciated assets of the project as at 31 December 2019 and 2020. This statement must include all assets available as at 31 December 2019 and 2020 and not only those purchased in a given period. Where a DIM project does not have any assets or equipment, it is not necessary to express such an opinion.
- Expressing an opinion on whether the Statement of Cash held by the project presents fairly the cash and bank balance of the UNDP project as at 31 December 2019 and 2020. In cases where the cash transactions of the audited DIM project are made through the country office bank accounts, this type of opinion is not required.

The Financial Audit was conducted in accordance with the International Standards on Auditing (ISA), the 700 series.

The scope of the audit relates only to transactions concluded and recorded against the project between 29 July 2019 and 31 December 2020.

INDEPENDENT AUDITOR'S REPORT

To The Director of the Office of Audit and Investigations (OAI) **United Nations Development Programme (UNDP)**Panama City, Panama

We have audited the financial position of the UNDP project ID 121247, "Reducing climate vulnerability and flood risk in coastal urban and semi urban areas in cities in Latin America" output ID 117074 CAF -Vulnerabilidad Climática, for the period 29 July 2019 to 31 December 2020 which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization statement ("the statement"); and (c) the project-related accounts receivable and accounts payable.

The CDR expenditures totaling USD 301,670.72 (2019 totals USD 14,751.24 and 2020 totals USD 286.919,48) is comprised exclusively of expenditure directly incurred by the Office for an amount of USD 301,670.72. Our audit covered the expenditure directly incurred by the Office of USD 301,670.72.

Unmodified opinion

In our opinion, the attached CDRs and Funds Utilization statement present fairly, in all material respects, the expenses of USD 301,670.72 directly incurred by the Office and charged to the project for the period 29 July 2019 to 31 December 2020 in accordance with UNDP accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for unmodified opinion

We conducted our audit in accordance with International Standards on Auditing. Our responsibilities under those provisions and standards are further described in the 'Auditor's responsibilities' section of this report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants. We have fulfilled our other ethical responsibilities in accordance with these requirements, and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management responsibilities

Management is responsible for the preparation of the CDR and the Funds Utilization statement of the project, and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and the Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal control.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
