## 2. PART II – FINANCIAL AUDIT REPORTS

### 2.1. Auditor's Report on Financial Position

**Independent Auditor's Report on the Project Financial Position  
Of UNDP DIM Project ID 115890 – Output ID 113282  
“Support to Security and Justice Sector Governance in Iraq”**

**To the Director of the Office of Audit and Investigations (OAI)  
United Nations Development Programme (UNDP)**

We have audited the financial position of UNDP Project ID 115890 - Output ID 113282 “Support to Security and Justice Sector Governance in Iraq” for the period from 1 January to 31 December 2021, which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization Statement (the statement); and (c) the project-related accounts receivable and accounts payable.

The CDR expenditures at a total amount of US\$ 7,203,941.11, are comprised of expenditures directly incurred by the UNDP country office in Iraq for an amount of US\$ 5,274,682.07 and expenditures incurred by entities other than the Country Office for an amount of US\$ 1,929,259.04. Our audit only covered the expenditures directly incurred by the UNDP Country Office in Iraq amounting to US\$ 5,274,682.07.

#### **Unmodified Opinion**

In our opinion, the attached Combined Delivery Report (CDR) and Funds Utilization Statement present fairly, in all material respects, the expenses of US\$ 5,274,682.07 directly incurred by the UNDP Country Office in Iraq and charged to Project ID 115890 - Output ID 113282 “Support to Security and Justice Sector Governance in Iraq” for the period from 1 January to 31 December 2021 in accordance with UNDP's accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those provisions and standards are further described in the auditor's responsibilities for the audit of the CDR and Funds Utilization section of our report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Management’s Responsibility**

Management is responsible for the preparation of the CDR and the Funds Utilization Statement of the project and for such internal controls as management determines are necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

### **Auditor’s Responsibility**

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization’s internal controls.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identified during our audit.

### **2.3. Auditors Report on the Statement of Fixed Assets:**

**Independent Auditor's Report on the Statement of Fixed Assets  
Of UNDP DIM Project ID 115890 – Output ID 113282  
“Support to Security and Justice Sector Governance in Iraq”**

**To the Director of the Office of Audit and Investigations (OAI)  
United Nations Development Programme (UNDP).**

We have audited the accompanying statement of fixed assets of UNDP Project ID 115890 - Output ID 113282 “Support to Security and Justice Sector Governance in Iraq” as at 31 December 2021.

#### **Unmodified Opinion**

In our opinion, the accompanying statement of fixed assets presents fairly in all material respects the assets status of Project ID 115890 - Output ID 113282 amounting to US\$ 229,924.12 as at 31 December 2021 in accordance with UNDP's accounting policies.

#### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those provisions and standards are further described in the auditor's responsibilities for the audit of the statement of fixed assets. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Management's Responsibility**

Management is responsible for the preparation of the statement of fixed assets of the project and for such internal controls as management determines are necessary to enable the preparation of the statement of fixed assets that is free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibilities for the audit**

Our objectives are to obtain reasonable assurance about whether the statement of fixed assets is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement of fixed assets, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization’s internal controls.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identified during our audit.
