OF

INVESTMENT PROGRAMME FOR RESILIENCE (IPR)
(Directly Implemented Project No. 120458, Output No. 116642)

IN

UNDP PROGRAMME OF ASSISTANCE TO THE PALESTINIAN PEOPLE (PAPP)

Report No. 2522
Issue Date: 19 July 2022

**Report on the Audit of Investment Programme for Resilience (IPR)
implemented by UNDP Programme of Assistance to the Palestinian People (PAPP)
(Project No. 120458, Output No. 116642)
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through Talal Abu-Ghazaleh & Co. (the audit firm), from 13 to 22 June 2022, conducted an audit of Investment Programme for Resilience (IPR) (Project No. 120458, Output No. 116642) (the Project), which is directly implemented and managed by the UNDP Programme of Assistance to the Palestinian People (PAPP) (the Office). This was the first audit of the Project.

The audit was conducted in accordance with the International Standards of Auditing (ISA), the 700 series. The audit work covered financial transactions as well as internal controls and systems for the purpose of expressing an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations, as well as assess compliance with UNDP regulations, rules, policies and procedures and donor agreements. The audit covered the Project's Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2021 and the accompanying Funds Utilization statement¹ as of 31 December 2021 as well as Statement of Assets as of 31 December 2021. It also reviewed the relevant systems, procedures, and practices in place as they relate to the Project, in the areas of governance, programme, and operations. The audit did not include expenses processed and approved by other UNDP offices (such as UNDP Regional Centres and UNDP Headquarters). In addition, the audit did not cover the Statement of Cash as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing* of The Institute of Internal Auditors (The IIA).

Overall audit rating

Based on the audit report submitted by the audit firm, OAI assessed the management of the Project as **fully satisfactory**, which means, "The assessed governance arrangements, risk management practices and controls as applicable to the Project's financial statements were adequately established and functioning well. Issues identified by the audit, if any, are unlikely to affect the achievement of the objectives of the audited entity/area." The details of the audit results are presented in the table below:

Project Expenses*		Project Assets	
Amount (in \$ '000)	Opinion	Amount (in \$'000)	Opinion
10,181	Unmodified	54	Unmodified

**Expenses recorded in the Combined Delivery Report were \$11,388,610. Excluded from the audit scope were expenses processed and approved by other UNDP offices (\$71,715). Also excluded were expenses*

¹ The Funds Utilization statement includes the balance, as at a given date, of five items: (a) outstanding advances received by the project; (b) undepreciated fixed assets used at the project level; (c) inventory held at the project level; (d) prepayments made by the project; and (e) outstanding commitments held at the project level.

incurred at the "responsible party" level (\$1,135,463), which were subject to a separate audit conducted by external auditors that resulted in an unmodified opinion.

***Included in the audit scope were transactions that relate to expenses incurred at the "responsible party" level (\$7,277,802) as these were not covered under HACT audits and all related supporting documents were available for review at the level of UNDP PAPP.*

The audit did not result in any recommendations.

1.2. Audit Objectives

- A. The objective of the financial audit is to express an opinion on the project's financial position which includes:
- 1) Expressing an opinion on whether the financial expenses incurred by the project for the period from 1 January to 31 December 2021 and the funds utilization, the accounts receivable and the accounts payable as at 31 December 2021 were fairly presented in accordance with UNDP's accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.
 - 2) Expressing an opinion on whether the statement of fixed assets, at net book value, presents fairly the balance of depreciated assets of the UNDP Project as at 31 December 2021. This statement should include all assets available as at 31 December 2021 and not only those purchased in the year under audit. Where a DIM project does not have any assets or equipment it will not be necessary to express such an opinion.
 - 3) Expressing an opinion on whether the statement of cash held by the Project presents fairly the cash and bank balance of UNDP Project as at 31 December 2021. It is required to express an opinion on the Statement of Cash only where a dedicated bank account for the DIM project has been established. In cases where the cash transactions of the audited DIM project are made through the country office bank accounts, this type of opinion is not required.
- B. As applicable, providing the progress made in implementing the recommendations raised in a previous year audit report.
- C. The objective of the assessment of Internal Controls and Systems is to assess the reliability and integrity of the project's financial and operational information, effectiveness and efficiency of the project's operations, safeguarding of project's assets and compliance with legislative mandates, regulations and rules, policies and procedures as well as with the donor agreement.

The financial audit was conducted in accordance with the International Standards on Auditing (ISA), the 700 series.

1.3. Scope of Audit:

- A. The scope of the audit relates only to transactions concluded and recorded against the UNDP DIM project for the period from 1 January to 31 December 2021.

The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of "responsible parties", unless the inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centers and UNDP Headquarters and where the supporting documentation are not retained at the level of the UNDP office.

B. Audit of Internal Controls and Systems

Conduct the necessary audit steps to cover the project's internal controls and systems in order to assess:

- (a) Reliability and integrity of project financial and operational information;
- (b) Effectiveness and efficiency of project operations;
- (c) Safeguarding of project assets;
- (d) Compliance with legislative mandates, regulations and rules, policies and procedures, as well as donor agreements.

Assess the internal controls with regard to the audited project in the following areas:

- (i) Organization and Staffing: Assess the overall project structure for effective work flows and management arrangements, including assignment of authority, accountability and responsibility to staff.
- (ii) Programme and project management: Assess the management aspects in terms of approval of the project, financial management of project funds, and monitoring of implementation towards achievement of project objectives. This includes reporting to the, Steering Committee, Project Board and/or Donors.
- (iii) Human Resources: Assess competitiveness and transparency of the recruitment process; and effectiveness of the management of project personnel, including contract administration, performance evaluation and payment of salaries and allowances.
- (iv) Finance: Assess the compliance with UNDP policies with respect to the safe custody and adequate management of cash, commitment of expenditures against approved budget, disbursement or payments against liabilities and cash advances to field offices, project staff, etc.
- (v) Procurement: Assess whether goods, services and civil works for the project are procured competitively and in a transparent manner in accordance with UNDP policies and procedures. This includes management of obligations and appropriate assessment of goods or services delivered and monitoring performance of the contractors, before payment.
- (vi) Asset Management: Assess whether project assets are adequately recorded, safeguarded, monitored, including periodic physical verification of their use and existence.

- (vii) Cash Management: Review the safeguarding of all cash (including bank accounts) held separately for the purposes of the project either in the UNDP country office or at the project field offices, including cash held as advances or imprest in any sub-office or field office.
- (viii) Information Systems: Assess the efficiency and security of the information systems established and maintained from project funds and their adequacy to meet the management and reporting requirements of the projects.
- (ix) General Administration: These include areas of operations not specifically covered above and for which expenses are charged to the project covering such areas as: travel of project staff, use and maintenance of project vehicles, lease and maintenance of office premises.
- (x) Follow-up on previous audits: As may be applicable, assess the status of implementation of the previous year's audit recommendations.

PART II - FINANCIAL AUDIT REPORTS

1.1. Auditor's Report on Financial Position

Independent Auditor's Report on the Project Financial Position of UNDP DIM Project ID 120458 - Output ID 116642 "Investment Programme for Resilience (IPR)"

To the Director of the Office of Audit and Investigations (OAI)
United Nations Development Programme (UNDP)

We have audited the financial position of UNDP Project ID 120458 - Output ID 116642 "Investment Programme for Resilience (IPR)" for the period from 1 January to 31 December 2021, which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization Statement (the statement); and (c) the project-related accounts receivable and accounts payable.

The CDR expenditures totaling US\$ 11,388,610.22, are comprised of expenditures directly incurred by UNDP PAPP for an amount of US\$ 10,181,432.61 and expenditures incurred by entities other than the UNDP PAPP for an amount of US\$ 1,207,177.61. Our audit only covered the expenditures directly incurred by UNDP PAPP of US\$ 10,181,432.61.

Unmodified Opinion

In our opinion, the attached Combined Delivery Report (CDR) and Funds Utilization Statement present fairly, in all material respects, the expenses of US\$ 10,181,432.61 directly incurred by the UNDP PAPP and charged to Project ID 120458 - Output ID 116642 "Investment Programme for Resilience (IPR)" for the period from 1 January to 31 December 2021 in accordance with UNDP's accounting policies and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for Opinion.

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those provisions and standards are further described in the auditor's responsibilities for the audit of the CDR and Funds Utilization section of our report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility

Management is responsible for the preparation of the CDR and the Funds Utilization Statement of the project and for such internal controls as management determines are

necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal controls.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identified during our audit.

Auditors Report on the Statement of Fixed Assets:

**Independent Auditor's Report on the Statement of Fixed Assets
of UNDP DIM Project ID 120458 – Output ID 116642
“Investment Programme for Resilience (IPR)”**

**To the Director of the Office of Audit and Investigations (OAI)
United Nations Development Programme (UNDP).**

We have audited the accompanying statement of fixed assets of UNDP Project ID 120458 - Output ID 116642 “Investment Programme for Resilience (IPR)” as at 31 December 2021.

Unmodified Opinion

In our opinion, the accompanying statement of fixed assets presents fairly in all material respects the assets status of Project ID 120458 - Output ID 116642 “Investment Programme for Resilience (IPR)” amounting to US\$ 54,303.55 as at 31 December 2021 in accordance with UNDP's accounting policies.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISA). Our responsibilities under those provisions and standards are further described in the auditor's responsibilities for the audit of the statement of fixed assets. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibility

Management is responsible for the preparation of the statement of fixed assets of the project and for such internal controls as management determines are necessary to enable the preparation of the statement of fixed assets that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the audit

Our objectives are to obtain reasonable assurance about whether the statement of fixed assets is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISA will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISA, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the statement of fixed assets, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the organization's internal controls.

We communicated with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls that we identified during our audit.
