Audit Objectives and Scope

A. Financial Audit

The objective of the financial audit was to express an opinion on the project financial position which includes:

- Expressing an opinion on whether the financial expenses incurred by the project between 01 January and 31 December 2021 as well as the Fund Utilization statement, as at 31 December 2021 are fairly presented in accordance with UNDP accounting policies and that the expenses incurred were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents. Specifically:
 - i. Expressing an opinion on the projects' expenditure expressed in both US\$ and CHF (in the text of the standard audit opinion mention the US\$ amount and its equivalent in CHF);
 - II. Including in the audit report two versions of the CDR, one version extracted from Atlas in US\$ and another version converted manually in CHF; and
 - III. Verifying the conversion done manually by the country office from US\$ to CHF
- Expressing an opinion on whether the Statement of Fixed Assets, at Net Book Value, presents fairly the balance of depreciated assets of the UNDP project as at 31 December 2021. This Statement must include all assets available as at 31 December 2021 and not only those purchased in a given period. The opinion is rendered on the Net Book value balance of the Assets. Where a DIM project does not have any assets or equipment, it will not be necessary to express such an opinion.
- Expressing an opinion on whether the Statement of Cash held by the project presents fairly the cash and bank balance of the project as at 31 December 2021. Disbursements made against a DIM project are usually financed from regular country office bank accounts. Exceptionally, a dedicated account may be opened and used solely for the cash transactions of a DIM project, e.g. if the project is in a remote location. The audit firm is required to express an opinion on the Statement of Cash only where a dedicated bank account for the DIM project has been established. In cases where the cash transactions of the audited DIM project are made through the country office bank accounts this type of opinion is not required.
- As maybe applicable, provide the progress made in implementing the recommendations raised in previous year audit report.

The Financial Audit was conducted in accordance with the International Standards of Auditing (ISA), the 700 series.

The scope of the audit relates only to transactions concluded and recorded against the UNDP DIM project, between 01 January and 31 December 2021. The scope of the audit did not include:

- Activities and expenses incurred or undertaken at the level of "responsible parties", unless the inclusion of these expenses is specifically required in the request for proposal; and
- Expenses processed and approved in locations outside the country such as UNDP Regional Centres and UNDP Headquarters and where the supporting documentation is not retained at the level of the UNDP country office.

B. Audit of internal controls and systems of the project

In addition, we conducted the necessary audit steps to cover the project's internal controls and systems in order to assess:

- Reliability and integrity of project financial and operational information;
- · Effectiveness and efficiency of project operations;
- Safeguarding of project assets;
- Compliance with legislative mandates, regulations and rules, policies and procedures, as well as donor agreements.

Specifically, we assessed the internal controls with regard to the audited project in the following areas:

- (i) Organization and Staffing: Assess the overall project structure for effective work flows and management arrangements, including assignment of authority, accountability and responsibility to staff.
- (ii) Programme and project management: Assess the management aspects in terms of approval of the project, financial management of project funds, and monitoring of implementation towards achievement of project objectives. This includes reporting to the, Steering Committee, Project Board and/or Donors.
- (iii) Human Resources: Assess competitiveness and transparency of the recruitment process; and effectiveness of the management of project personnel, including contract administration, performance evaluation and payment of salaries and allowances.
- (iv) Finance: Assess the compliance with UNDP policies with respect to the safe custody and adequate management of cash, commitment of expenditures against approved budget, disbursement or payments against liabilities and cash advances to field offices, project staff, etc.
- (v) Procurement: Assess whether goods, services and civil works for the project are procured competitively and in a transparent manner in accordance with UNDP policies and procedures. This includes management of obligations and appropriate assessment of goods or services delivered and monitoring performance of the contractors, before payment.
- (vi) Asset Management: Assess whether project assets are adequately recorded, safeguarded, monitored, including periodic physical verification of their use and existence.
- (vii) Cash Management: Review the safeguarding of all cash (including bank accounts) held separately for the purposes of the project either in the UNDP country office or at the project field offices, including cash held as advances or imprest in any sub-office or field office.
- (viii) Information Systems: Assess the efficiency and security of the information systems established and maintained from project funds and their adequacy to meet the management and reporting requirements of the projects.
- (ix) General Administration: These include areas of operations not specifically covered above and for which expenses are charged to the project covering such areas as: travel of project staff, use and maintenance of project vehicles, lease and maintenance of office premises.
- (x) Follow-up on previous audits: As may be applicable, assess the status of implementation of the previous year's audit recommendations.

Independent Auditors' Report

Opinion on Financial Position

To: The Director of the Office of Audit and Investigations (OAI) United Nations Development Programme (UNDP)

We have audited the financial position of the UNDP 00090463 "Municipal Councils, 2" – Output ID 00096214 "Municipal Councils Support II" for the period from 01 January to 31 December 2021 which includes: (a) the accompanying Combined Delivery Report (CDR); (b) the Funds Utilization Statement ("The Statement"); and (c) the project related accounts receivable and accounts payable.

Unmodified Opinion

In our opinion, the attached CDR and Funds Utilization statement present fairly, in all material respects, the expenses of USD 874,057.12 (CHF 807,329.27) including USD 517,218.35 (CHF 477,461.35) directly incurred by the UNDP Country Office in Republic of North Macedonia and USD 356,838.77 (CHF 329,867.91) directly incurred by Responsible Parties and charged to the project for the period from 01 January to 31 December 2021 in accordance with UNDP accounting policies, and were: (i) in conformity with the approved project budgets; (ii) for the approved purposes of the project; (iii) in compliance with the relevant regulations and rules, policies and procedures of UNDP; and (iv) supported by properly approved vouchers and other supporting documents.

Basis for unmodified opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those provisions and standards are further described in the auditor's responsibilities for the audit of the CDR and Funds Utilization section of our report. We are independent of UNDP in accordance with the International Ethics Standards Board of Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with this code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Management responsibilities

Management is responsible for the preparation of the CDR and the Funds Utilization statement of the project, and for such internal control as management determines is necessary to enable the preparation of a CDR and Funds Utilization statement that are free from material misstatement, whether due to fraud or error.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the CDR and the Funds Utilization statement are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these documents.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the CDR and Funds Utilization statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 organization's internal control.
