Executive Summary**

The UNDP Office of Audit and Investigations (OAI), from 8 to 17 June 2014, through Talal Abu-Ghazaleh & Co. (the audit firm), conducted an audit of Emergency & Capacity Development, Output No. 82516 (the Project), which is directly implemented and managed by the UNDP Country Office in Yemen (the Office). This was the first audit of the Project.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenditure for the period from 1 January to 31 December 2013 and the accompanying Funds Utilization statement¹ as of 31 December 2013 as well as Statement of Assets as of 31 December 2013. The audit did not cover expenses processed and approved in locations outside of the country. In addition, the audit did not cover the Statement of Cash Position as of 31 December 2013 as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.
