Lebanese Hosting Communities (Project No. 65799, Output No. 84708)
Executive Summary

The UNDP Office of Audit and Investigations (OAI), through Moore Stephens LLP (the audit firm), from 16 to 27 May 2016 conducted an audit of Lebanese Hosting Communities (Project No. 65799, Output No. 84708) (the Project), which is directly implemented and managed by the UNDP Country Office in Lebanon (the Office). This was the first audit of the Project.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project’s operations. The audit covered the Project’s Combined Delivery Report, which includes expenditure for the period from 1 January to 31 December 2015 and the accompanying Funds Utilization statement\(^1\) as of 31 December 2015 as well as Statement of Assets. The audit did not include activities and expenses incurred or undertaken at the “responsible party” level, or expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters). The audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the International Standards for the Professional Practice of Internal Auditing.
