Issue Date: 2 August 2017
Report on the Audit of UNDP Iraq
Local Area Development Programme
(Project No. 86812, Output No. 94013)
Executive Summary

The UNDP Office of Audit and Investigations (OAI), through Moore Stephens LLP (the audit firm), from 4 to 19 June 2017, conducted an audit of Local Area Development Programme, Project No. 86812, Output No. 94013 (the Project), which is directly implemented and managed by the UNDP Country Office in Iraq (the Office). The last audit of the Project was conducted by OAI through Deloitte and covered project expenditure from 1 January to 31 December 2015.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project’s operations. The audit covered the Project’s Combined Delivery Report, which includes expenditure for the period from 1 January to 31 December 2016 and the accompanying Funds Utilization statement as of 31 December 2016 as well as Statement of Assets as of 31 December 2016. The audit did not include activities and expenses undertaken at the level of the “responsible party” and expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters). In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the International Standards for the Professional Practice of Internal Auditing.
