(Project No. 96804, Output No. 100712)
Executive Summary

The UNDP Office of Audit and Investigations (OAI), through Moore Stephens LLP (the audit firm), from 11 to 15 June 2018, conducted an audit of Strengthening of the National School Feeding Programme Qali Warma MIDIS, Project No. 96804, Output No. 100712 (the Project), which is directly implemented and managed by the UNDP Country Office in Peru (the Office). The last audit of the Project was conducted by OAI through Moore Stephens LLP in 2017, and covered project expenses from 1 January to 31 December 2016.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project’s operations. The audit covered the Project’s Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2017, and the accompanying Funds Utilization statement¹ as of 31 December 2017. The audit did not include activities and expenses incurred or undertaken at the “responsible party” level, or expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters) or expenses of other United Nations agencies. The audit did not cover the Statement of Assets, as no assets were purchased by the Project. In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the project.

The audit was conducted under the general supervision of OAI in conformance with the International Standards for the Professional Practice of Internal Auditing.
