Manos a la Obra Fase I (Project No. 84305, Output Nos. 103060; 103143; 106952)
Executive Summary

The UNDP Office of Audit and Investigations (OAI), through Moore Stephens LLP (the audit firm), from 25 to 29 June 2018, conducted an audit of Manos a la Obra Fase I (Project No. 84305, Output Nos. 103060, 103143 and 106952) (the Project), which is directly implemented and managed by the UNDP Country Office in Colombia (the Office). This was the first audit of the Project.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project’s operations. The audit covered the Project’s Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2017 and the accompanying Funds Utilization statement as of 31 December 2017 as well as Statement of Assets as of 31 December 2017. The audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the International Standards for the Professional Practice of Internal Auditing.
