## Report on the Audit of UNDP Cambodia Executive Summary

The UNDP Office of Audit and Investigations (OAI) conducted an audit of UNDP Cambodia (the Office) from 29 April to 10 May 2019. The audit aimed to assess the adequacy and effectiveness of the governance, risk management and control processes relating to the following areas and sub-areas:

- (a) governance (leadership, corporate direction, corporate oversight and assurance, corporate external relations and partnership);
- (b) programme (quality assurance process, programme/project design and implementation, knowledge management);
- (c) operations (financial resources management, ICT and general administrative management, procurement, human resources management, and staff and premises security); and
- (d) United Nations leadership and coordination.

The audit covered the activities of the Office from 1 January 2018 to 31 March 2019. The Office recorded programme and management expenses of approximately \$26.2 million. The last audit of the Office was conducted by OAI in 2015.

The audit was conducted in conformance with the *International Standards for the Professional Practice of Internal Auditing*.

### Overall audit rating

OAI assessed the Office as **satisfactory**, which means “The assessed governance arrangements, risk management practices and controls were adequately established and functioning well. Issues identified by the audit, if any, are unlikely to affect the achievement of the objectives of the audited entity/area.”

**Key recommendations:** Total = 1, high priority = 0

The audit did not result in any high (critical) priority recommendations. There is one medium (important) priority recommendation, which means “Action is required to ensure that UNDP is not exposed to risks. Failure to take action could result in negative consequences for UNDP.” This recommendation includes action to address the delayed approval of annual work plans.

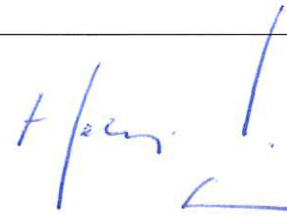

The recommendation aims to ensure the achievement of the organization’s strategic objectives (Recommendation 1).
