**Report on the Audit of UNDP Somalia  
Electoral Support Project (Project No. 107518, Output No. 107800)  
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through KPMG SA (the audit firm), from 3 May to 10 June 2019, conducted an audit of Electoral Support Project (Project No. 107518, Output No. 107800) (the Project), which is directly implemented and managed by the UNDP Country Office in Somalia (the Office). This was the first audit of the Project.

The audit work covered financial transactions as well as internal controls and systems for the purpose of expressing an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations, as well as assess compliance with UNDP regulations, rules, policies and procedures and donor agreements. The audit covered the Project's Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2018 and the accompanying Funds Utilization statement<sup>1</sup> as of 31 December 2018 as well as Statement of Assets as of 31 December 2018. It also reviewed the relevant systems, procedures and practices in place as they relate to the Project, in the areas of: governance, programme, and operations. The audit did not include expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters). The audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.

**Overall audit rating**

Based on the audit report and corresponding management letter submitted by the audit firm, OAI assessed the management of the Project as **satisfactory** which means, "The assessed governance arrangements, risk management practices and controls, as applicable to the Project's financial statements, were adequately established and functioning well. Issues identified by the audit, if any, are unlikely to affect the achievement of the objectives of the audited entity/area."

The details of the audit results are presented in the table below:

Project Expenses*		Project Assets	
Amount (in \$ '000)	Opinion	Amount (in \$ '000)	Opinion
