Resilience Building in Iraq II (Output No. 105146) and

Executive Summary

The UNDP Office of Audit and Investigations (OAI), through KPMG (the audit firm), from 9 to 23 June 2019, conducted an audit of the Iraq Crisis Response and Resilience Programme (ICRRP), Project No. 85156 (Resilience Building in Iraq II, Output No. 105146, and Integrated Recovery Support, Output No. 105112) (the Project), which is directly implemented and managed by the UNDP Country Office in Iraq (the Office). This was the first audit of the Project.

The audit firm conducted a financial audit to express an opinion on whether the financial statements present fairly, in all material aspects, the Project’s operations. The audit covered the Project’s Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2018 and the accompanying Funds Utilization statement¹ as of 31 December 2018 as well as Statement of Assets as of 31 December 2018. The audit did not include activities and expenses incurred or undertaken at the “responsible party” level. The audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the International Standards for the Professional Practice of Internal Auditing.
