(Project No. 126570, Output No. 120611)
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through BDO LLP (the audit firm), from 6 to 28 April 2021, conducted an audit of ‘Response to COVID-19 Outbreak’, Project No. 126570, ‘COVID-19 Health System’, Output No. 120611 (the Project), which is directly implemented and managed by the UNDP Country Office in Bosnia and Herzegovina (the Office). This was the first audit of the Project.

The audit was conducted in accordance with the International Standards of Auditing (ISA), the 700 series. The audit work covered financial transactions as well as internal controls and systems for the purpose of expressing an opinion on whether the financial statements present fairly, in all material aspects, the Project’s operations, as well as assess compliance with UNDP regulations, rules, policies and procedures and donor agreements. The audit covered the Project’s Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2020 and the accompanying Funds Utilization statement¹ as of 31 December 2020. It also reviewed the relevant systems, procedures, and practices in place as they relate to the Project, in the areas of governance, programme, and operations. The audit did not include expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters). The audit did not cover the Statement of Assets as no assets were held by the Project. In addition, the audit did not cover the Statement of Cash as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.
