Report on the Audit of Iraq Crisis Response and Resilience Recovery Programme (ICRRP), Integrated Recovery Support, implemented by UNDP Iraq (Project No. 85156, Output No. 105112) Executive Summary

The UNDP Office of Audit and Investigations (OAI), through Talal Abu-Ghazaleh & Co. (the audit firm), from 30 May to 15 July 2021, conducted an audit of 'Iraq Crisis Response and Resilience Programme (ICRRP)' (Project No. 85156), 'Integrated Recovery Support' (Output No. 105112) (the Project), which is directly implemented and managed by the UNDP Country Office in Iraq (the Office). The last audit of the Project was conducted by OAI, through Talal Abu-Ghazaleh & Co. in 2020 and covered project expenses from 1 January to 31 December 2019.

The audit firm conducted a financial audit in accordance with the International Standards of Auditing (ISA), the 700 series, to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2020 and the accompanying Funds Utilization statement¹ as of 31 December 2020 as well as Statement of Assets as of 31 December 2020. The audit did not include activities and expenses incurred or undertaken at the "responsible party" level, or expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters) or expenses of other United Nations agencies. In addition, the audit did not cover the Statement of Cash as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*.

Audit results

Based on the audit report and corresponding management letter submitted by the audit firm, the results are summarized in the table below:

^{*}Expenses recorded in the Combined Delivery Report were \$7,872,362. Excluded from the audit scope were transactions that relate to other United Nations agencies (-\$18,704) and expenses processed and approved by other UNDP offices outside of the country (\$10,538). Also excluded were expenses incurred at the "responsible party" level (\$2,910,981), which includes \$2,613,311 that were subject to a separate audit conducted by external auditors that resulted in an unmodified opinion.

***This amount includes a NFM (understatement) of \$610,703 from the prior year audit, resulting in a net NFM for 2020 of \$5,599.

^{**}NFM= Net Financial Misstatement

¹ The Funds Utilization statement includes the balance, as at a given date, of five items: (a) outstanding advances received by the project; (b) undepreciated fixed assets used at the project level; (c) inventory held at the project level; (d) prepayments made by the project; and (e) outstanding commitments held at the project level.

United Nations Development Programme Office of Audit and Investigations

The audit firm qualified its opinion on project expenses due to 2019 expenditures recorded in 2020. The resulting financial impact was a material overstatement of the financial statements in the amount of \$616,302, that represented 12.4 percent of the project expenditures directly incurred by the Office as at 31 December 2020.

The audit did not result in any recommendations. A recommendation related to the same observation was raised in the prior year audit and implemented in 2020. Expenses incurred in 2020 were recorded in the same fiscal year.
