atención a sus derechos habientes (Project No. 88365, Output No. 95074) in UNDP El Salvador
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through PKF Littlejohn LLP (the audit firm), from 10 May to 28 June 2021, conducted an audit of *Fortalecimiento de las capacidades del Instituto Salvadoreño de Bienestar Magisterial para mejorar la atención a sus derechos habientes* (Project No. 88365, Output No. 95074) (the Project), which is nationally implemented with support services provided by the UNDP Country Office in El Salvador. The last audit of the Project was conducted by OAI through KPMG SA in 2020 and covered project expenses from 1 January to 31 December 2019.

The audit firm conducted a financial audit in accordance with the International Standards of Auditing (ISA), the 700 series, to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2020 and the accompanying Funds Utilization statement¹ as of 31 December 2020. The audit did not include activities and expenses incurred or undertaken at the 'responsible party level' or expenses processed and approved in locations outside the country (such as UNDP Regional Centres and UNDP Headquarters) or expenses of other United Nations agencies. The audit did not cover the Statement of Assets as no assets were held by the Project. In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing*. Due to the COVID-19 pandemic, the audit was conducted remotely.
