**Report on the Audit of Stabilization Facility – Nigeria, Stab. Facility: Dutch
(Project No. 123140, Output No. 124282)
in UNDP Nigeria
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through Talal Abu-Ghazaleh & Co. (the audit firm), from 30 May to 14 June 2022, conducted an audit of Stabilization Facility – Nigeria: Dutch (Project No. 123140, Output No. 124282) (the Project), which is directly implemented by the UNDP Country Office in Nigeria. This was the first audit of the Project.

The audit firm conducted a financial audit in accordance with the International Standards of Auditing (ISA), the 700 series, to express an opinion on whether the financial statements present fairly, in all material aspects, the Project’s operations. The audit covered the Project’s Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2021 and the accompanying Funds Utilization statement¹ as of 31 December 2021. The audit did not include activities and expenses incurred or undertaken at the “responsible party” level, or expenses processed and approved in locations outside of the country (such as UNDP Regional Centres and UNDP Headquarters). The audit did not cover the Statement of Assets as no assets were held by the Project. In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing* of The Institute of Internal Auditors (The IIA).
