(Project No. 59882, Output Nos. 75092 and 110506)
Implemented in UNDP Guatemala
Executive Summary**

The UNDP Office of Audit and Investigations (OAI), through PKF Littlejohn LLP (the audit firm), from 29 May to 9 June 2023, conducted an audit of *Políticas Municipales de Juventud de la Municipalidad de Guatemala* (Project No. 59882, Output Nos. 75092 and 110506) (the Project), which is nationally implemented with support services provided by the UNDP Country Office in Guatemala. The last audit of the Project was conducted by OAI, through PKF Littlejohn LLP in 2022 and covered project expenses from 1 January to 31 December 2021.

The audit firm conducted a financial audit in accordance with the International Standards of Auditing (ISA), the 700 series, to express an opinion on whether the financial statements present fairly, in all material aspects, the Project's operations. The audit covered the Project's Combined Delivery Report, which includes expenses for the period from 1 January to 31 December 2022 and the accompanying Funds Utilization statement¹ as of 31 December 2022. The audit did not include activities and expenses incurred or undertaken at the "responsible party" level. The audit did not cover the Statement of Assets as no assets were held by the Project. In addition, the audit did not cover the Statement of Cash Position as no separate bank account was established and maintained for the Project.

The audit was conducted under the general supervision of OAI in conformance with the *International Standards for the Professional Practice of Internal Auditing* of The Institute of Internal Auditors (The IIA).
